February 20-21, 2025

Hybrid: Zoom & In-Person

California Natural Resources Agency
715 P Street, Sacramento, CA - Room 221 A/B/C
Registration links forthcoming

Event Details:

The Delta Science Program is preparing to develop the third iteration of the Delta Science Plan, which will focus on addressing grand challenges to science in the Sacramento-San Joaquin Delta.

The goal of this hybrid workshop is to gather input from individuals and organizations interested and invested in Delta science and knowledge to develop actions, tools, and strategies to address the grand challenges in the next five years. The workshop format will include speakers and breakout discussions to gather participant feedback.
